MEMORANDUM FOR: Project Contracting Officer

30 April 1956

SUBJECT : Availability of Additional Photographic Copies

25X1A

1. In conversations with [REDACTED] of Eastman on 26 April I received the impression that, with sufficient advance notice, Eastman could produce an additional dup negative or positive of the photographic take from AQUATONE but would have difficulty in supplying an additional print.

2. I would appreciate if you would confirm this impression, or, if it is correct, advise me what would be feasible, in preparation for a discussion of this matter with [REDACTED] in mid-May.
